On **MOTION** of K7DF, second of KC7GTY and no dissenting, report was approved and accepted. Chairman offered that 2004 trailer and HUV should be struck from Asset report since they were stolen over 90 days ago and recovery is extremely unlikely.

Reported on attempted theft of DX Store truck/trailer en-route to the show leaving us without a new equipment dealer; and Icom's late pullout stating corporate budget. Trailer offered for use at event was no longer available as date approached, but we were able to utilize rodeo office for registration and all worked out well. Frequency Coordination: KW7LH, coordination committee chair, reports 18 attendees at this mornings meeting, second meeting for 2011 will be at Superstition in December. Most issues resolved with some delays still on multi-state co-ordinations. Only current vacancy is Packet coordinator whose responsibilities may be covered by another position. ARCA Chairman thanked Lance for extended service and patience, and noted vote of repeater owners today to retain Lance in office. Applause from attendees. KW7LH noted low attendance at repeater owners meeting may indicate items are being covered by volunteer team of band coordinators.

### **OLD BUSINESS:**

Proposed ARCA 'Quick Reference' repeater guide disseminated for review, was not printed in quantity as yet, will be available in future. Information derived from Frequency Coordination Committee database. Printable pdf version requested to be on ARCA website.

Go-To-Meeting will be available at most venues in the coming year, please utilize if physical attendance is not possible, want/need input from all member clubs.

Ham of the Year voting has been conducted by Past-Chairman, KD6XH, and award is prepared for presentation at this evening's banquet.

Scholarship applications received for 2011 were reviewed and acted upon by the Board.

Proposal to permanently install a public address system at the Rodeo Grounds was very well received by the City of Williams. There is a dire need beyond our convenience; N7KKQ will finalize arrangements in the near future. A discount of fees for 2012 was mentioned by the City in discussions which would be a nice bonus for ARCA.
